

INDEPENDENCE DAY AT BAMBI*WHO

Celebrate the mothers and babies in the Santa Maria Hostel unit this Independence Day. We take refreshments, a craft, and lots of love to these ladies and their babies. Let's shine the love of Christ!

June 25

12:30 - 4:30 pm

JOIN US

Restrictions have been lifted! Volunteers can once again come with us to the Santa Maria Hostel Unit. Join us as we give these ladies a nice party and show them the love of Christ. The caravan departs from the church parking lot at 12:30 and usually returns about 4:30pm.

2 Parties

Did you notice that we are now giving parties for two groups of women and babies? What a blessing! Parties do have to be in separate rooms, though, since they can't co-mingle. There's plenty of opportunity for lots of Volunteers!

REFRESHMENTS

Parties include refreshments and a craft activity themed for the holiday. The ladies love the activity and all the special attention.
