

Christ Church School

of Christ Church Sugar Land

Here for families! Here for the community!
Here for *good!*

Since 1987, **Christ Church School** has provided weekday toddler, preschool, Bridge and Kindergarten programs for ages 12 months to five years. Our families range from stay-at-home parents to remote workers to grandparents. For these early childhood education needs, Christ Church School is *here for good*.

ABOUT OUR PROGRAM

Christ Church School children learn in a happy and safe environment² that encourages and challenges them to gain new skills while actively exploring and interacting with a variety of materials.

Experienced, caring and communicative teachers prepare an age-appropriate, play-based curriculum that helps children grow spiritually, emotionally, physically, intellectually, and socially.

Children two years plus attend a weekly motor class to improve coordination, balance, and strength, while a weekly music class offers singing, dancing, instrument play and movement. Our weekly Chapel is led by a pastor and is geared to pre-school attention span and level of understanding.

Underpinning our school is a community of families that work together for the good of all the children, supporting one another in raising their children.

“Well-designed preschool education programs produce long-term improvements in school success, including higher achievement test scores, lower rates of grade repetition and special education, and higher educational attainment.” - *W. Steven Barnett, Ph.D.*¹

HEAR FROM OUR PARENTS

*I send my
child to
Christ Church
School
because...*

"...it offers a supportive and fun learning environment where my son truly thrives. He genuinely loves going to school each day, and it's a place where he feels known, encouraged, and excited to learn. The program options make it easy to choose what works best for our family in this season of life." - *Ashlee and Michael Curtis*

"...every teacher creates a loving, nurturing environment that allows the kids the opportunity to grow in all aspects of their young lives." - *Summer & Garrett Preston*

*At Christ
Church
School, we
love.....*

"...that our children aren't just being looked after, they're learning and growing spiritually. Every teacher gives such personal attention and care to the children, and we've never had a teacher we didn't absolutely love. We know our children have the best care for their minds and their hearts." - *Zane and Jessie Goggans*

"... the nurturing environment. It truly feels like family, and we know that he's loved and watched over, not only by his teachers, but by everyone in the school. He has grown spiritually, socially, and intellectually in his two years there, and perhaps, most importantly, he can't wait to go to school every day." - *Shefali and Jai Patel*

"It takes a village to raise a child, and we're so grateful that Christ Church School is part of our village. We're thankful for becoming friends with the other parents in her class and raising our kids together." - *Ian and Allie Rhoades*
